LOCAL 5296

Monday, June 15th 2020

Dear member,

Our Local executive would like to announce that our tentative agreements with GardaWorld and Paladin Security have been ratified, and will come into effect July 1st 2020. Thank you to all of you who completed a bargaining survey for providing your valuable insight. Many thanks to the bargaining committee and the United Steelworkers staff reps who spent long hours fighting for the best offer for our members. Copies of these agreements will be posted to our website at www.uswlocal5296.ca and printed copies will be made available as well.

Thank you again for all of your support, and we hope everyone is keeping safe.

In Solidarity,

Julia Rodriguez
